NOVEMBER WEEK 3 YOUTH WORKSHEET

FSY Topic 11: Truth Will Make You Free

THIS WEEK IN CLASS

This week your class and quorum learn more about the search for truth: where to look when you have a question, how to examine what you find, and how Jesus Christ strengthens you while you keep learning.

KEY TRUTHS

"Your Heavenly Father is a God of truth. He is all-knowing. All truth comes from Him and leads to Him."

"Having questions is not a sign of weakness or lack of faith. In fact, asking questions can help build faith."

JAMES 1:5

"If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him."

THINK ABOUT IT

- When have you asked someone a question about God or the gospel? What did that person do that helped you?

REAL TALK

- *"I have a question about the Church, but I'm afraid people will think I'm losing my faith if I ask it. How do I bring it up?"*
- Who is one person you trust enough to ask for a private conversation? Write how you might start: "There's something about the gospel I want to understand..."

TEMPLE RECOMMEND QUESTION

"Do you support or promote any teachings, practices, or doctrine contrary to those of The Church of Jesus Christ of Latter-day Saints?"

- How is asking a sincere question different from promoting something contrary to the Church's teachings?

YOUR MOVE

Write down one sincere question you have about God or the gospel. Take it to Heavenly Father in prayer, then choose one next step: study a scripture or Church resource, or invite someone you trust to study with you. Write what becomes clearer and what you still want to understand.
